June 16, 17, 18—1981

College Park United Brethren Church
at
Huntington, Indiana

THEME—

“Committed to Growth”

Theme: **“Committed to Growth”**

Our denominational leaders have adopted for their theme for the next twelve years, “Great Commitment.” We see many of our needs as the same ones the church has expressed. We *must* grow, and to do that there will need to be a cooperative effort put forth on the part of every segment of the church.

Local WMA organizations in every Branch of our denomination are being challenged to share in the responsibility of causing that growth to take place.

**GREAT
COMMITMENT**
